Youth Employment Initiative

This is a programme that offers support to young people who are not in employment, education or training. This is regardless of whether or not they are claiming benefit. Your Adviser will offer you a range of activities and support packages helping you move onto:

- apprenticeships
- traineeships
- job placements
- further education leading to a qualification

There a wide range of organisations delivering this programme. To find your local providers type 'Youth Employment Initiative' into a search engine or look on your council website.

Princes Trust

Offer various programmes including the 'Get Into' programme with national employers. They also offer a 12-week personal development programme, for the chance to gain new skills, take a qualification and meet new people. You'll be challenged to:

- Take on your own group community project, making a positive difference to the place where you live
- Take part in an action packed residential trip
- Get two weeks' work experience in something you're interested in
- Develop your English and Maths skills

As part of the course, we also spend some time developing your interview and CV skills to ensure your confidence is sky-high for when taking the next step.
